

## STATEMENT OF PURPOSE

RS29557 / H0612

Consistent with the Occupational Licensing Reform Act, this legislation allows an Idaho licensing authority to consider and grant a request for the expungement of disciplinary action previously imposed on a person's occupational license. The bill requires a licensing authority, upon request, to expunge any prior disciplinary action based on failure to timely renew a license or failure to complete required continuing education. The bill removes all requirements for a licensee to report expunged disciplinary action on future licensing or renewal applications in Idaho. The bill does not apply to civil or criminal convictions.

## FISCAL NOTE

This legislation will have no impact on the state's General fund, dedicated fund or federal funds. The bill will not impact the dedicated funds of licensing boards, as any expungement request can be reviewed by a licensing authority in a timely manner at regularly scheduled board or commission meetings.
